3D Car Simulator is a racing game where you drive modified vehicles at top speed all over the Earth! In 3D Car Simulator, you can steer a rally car, exotic police vehicle, or muscle car. The high-speed four-wheelers look and handle differently from each other. Change the camera angle for scenic views while you cruise! Try the first-person view to feel like you're riding on a high-speed motorbike. Share the game with your friends and play together!
