<p></p><p>During the podcast, Spencer was questioned about the

recent news that we wouldn 't see a massive drop of Activision-Blizzard game

s on Game Pass immediately after the deal finalized, as many had expected. As it

was pointed out, a major flood of Game Pass newcomers happened when Xbox acquir

ed Zenimax. Twenty Bethesda games dropped onto the service just days after, incl

uding some of the company 's biggest franchises. </p>

<p>Where, then, are all the Activision Blizzard games? Why is this differ

ent? </p>

<p>Per Spencer: they 're coming. Eventually. But the regulatory challen

ges surrounding this acquisition made it a bit trickier to navigate than the Zen

imax deal, and adding games to Game Pass isn 't as simple as flipping a switc

h to put them on there. </p>

<p>"The truth of the matter is with Activision/Blizzard/King that the

regulatory process took so long, and frankly there was a lot of uncertainty in

that process up until really a week before we closed, or the week of, when the C

MA finally came down to their decision, that we weren 't able to get in and w

ork with mostly Activision-Blizzard in this case, on that back catalog work, &quo

t; Spencer says. </p>
