Call of Duty: Warzone Mobile is a free-to-play battle royale game
developed by Infinity Ward and published by Activision. It is the
mobile version of Call of Duty: Warzone, a battle royale game
developed by Infinity Ward and published by Activision. The game
allows up to 150 players to compete in a battle royale mode
where the last player or team standing wins. The game features
a variety of weapons, vehicles, and abilities. It is available
on both iOS and Android. The game is free to play but
offers in-game purchases for cosmetic items and battle pass
content. The game is currently in beta testing and is not
available in all regions. For more information, visit the
Call of Duty: Warzone Mobile website.
