are starting to reap the rewards. Macau's gamblers are hitting the tables again and are proving to be good news for the industry. The reopening of casinos in Macau is a significant event, as it marks the return of the region to its former glory as a gambling hub. The industry is expected to generate billions of dollars in revenue for the government and create thousands of jobs. The reopening is also seen as a sign of confidence in the region's economic recovery. Almost certainly the most well-known evil clown (save for Batman's arch-nemesis, the Joker; more on him later), Pennywise is modeled after real-life serial killer John Wayne Gacy, aka Pogo the Clown, a.k.a. "The Clown Killer." Gacy was convicted of sexually assaulting and killing 33 boys in 1980; he posed as a clown ...

The IT character Pennywise may have been based on the serial killer. While there is some debate on whether Gacy truly influenced the creation of Pennywise, the two are eerily similar, as both dress as clowns and target children.
