<p></p><p>This doesn t just apply to Activision Blizzard s bac
k catalogue; the agreement covers future titles as well, for a period of💹
á 15 years. The Call of Duty games have a huge following and, with a few excepti
ons, sport both single-player campaigns💹 and fully developed multiplayer
modes. So it absolutely makes sense for Call of Duty: Modern Warfare 3 and more
to💹 be included in the deal.</p>
<p>So why is this deal happening now? Ubisoft s announcement doesn t speci
fy as much but it s absolutely💹 down to the CMA s rejection of Microsoft
s Activision Blizzard purchase.</p>
<p>The UK s Competition and Markets Authority was particularly concerned t
hat the💹 deal, as is, would give Microsoft too much power in the cloud g
aming space.</p>
<p>Microsoft has since resubmitted a new proposal,💹 which includes
details of this deal with Ubisoft. The CMA will reflect on Microsoft s submissi
on, with an initial decision expected💹 this October 18. Given that cloud
gaming was the CMA s biggest concern, this could well be enough for them to
8185; give it their approval.</p>
<p>The deal gives Ubisoft the rights to license them to cloud gaming comp
anies, service providers, and console💹 makers. So it s not just down to
Microsoft which other platforms they re streamable on, something which is also
likely to💹 please the CMA.</p>
