If you're having trouble connecting to the Call

of Duty: Black Ops Cold War, you should first

check Call of Duty: B

lack Ops Cold War Server Status.

If the status indicator for your p

latform is not green or an alert is present, you might encounter connectivity is

sues until service is restored and fully operational.

The main cause is related to

network issues.

Other factors like insufficient access rights, antivirus interference, and offline game serve

r status are responsible for Call of Duty Cold War not working.
