"No spin" is a term often used in media a

nd communication to indicate that information is being presented wit

hout bias or manipulation. It implies that the information is being

delivered in a straightforward and objective manner, without any attempt to inf

luence or persuade the audience in a particular direction.

If you've just bought a new washing machine it is

also recommended to run it on an empty cycle before you start using it for your

clothes or bedding. This is to ensure that there is no dust, oils,

or any other residue left inside the machine or its pipes.
