&#225; About Paper Minecraft&#225;  
&#225; There&#39;s a lot to enjoy from the act of just stacking things on top  
of each other. Even though Minecraft can be seen as an advanced and complex vers  
ion of stacking blocks, there&#39;s still the same enjoyment. By making it 2D, t  
he experience becomes something like Terraria but with the blocky movement of Mi  
necraft to make it authentic. There are even elements in place to make learning  
and starting the game much easier to give a sense of empowerment. Even if you do  
mess up, half the joy is building it all back up again when you return.&#225;

t;&#225; How to Play&#225;  
&#225; Paper Minecraft tries to capture the gameplay of the original as much a  
s possible. It is however limited to the keyboard and mouse.&#225;
