It is a movie about a mother who dies with her daughter and gets trapped in a ghost town, Silent Hill. She goes looking for her daughter and meets some monsters on the way. There is one scene where a main enemy from the games rips the skin off of a woman, killing her. Definitely not for kids.

The SH games seem almost effortlessly scary, and it is a combination of traits that makes them that way. The most important part of what makes Silent Hill scary is atmosphere.

The titular town manifests in several ways, from the eerily normal to the horrific and bizarre.
