Each Minesweeper game starts out with a grid of unmarked Squares. After clicking one

of these squares, some of the squares will disappear, and some will remain blank; and

others will have numbers on them! It's your job to use the numbers for

hints in figuring out which squares are safe that

player performance, tactics, and injuries; or even

Subway Surfers is an incredibly popular game that almost everyone has played or seen at least once. The mo

bile version of this game is familiar, and the game is commonly used with videos

to keep people entertained. Poki has this game in a web version, which is just

as fun as the mobile version.
