The solution is that the campaign has not yet been downloaded YET - it's technically
used as a separate install and, once you have the Campaign pack, the story mode
is playable. Call of Duty Vanguard is a free-to-play game that is available on
PlayStation 4, Xbox One, and PC. It is a first-person shooter game that is set in
the World War II era. The game is a single-player campaign and a multiplayer
mode. The campaign is a story-driven experience that follows the actions of a
soldier named Sgt. John "Soap" MacTavish. The multiplayer mode is a fast-paced
action game that is set in a variety of locations. The game is a great example of
a high-quality first-person shooter game. It is a must-play for anyone who enjoys
the genre. The game is available on all major platforms and is a great choice for
anyone who wants to experience a high-quality first-person shooter game.
