It was conducted by Beethoven himself and featured a group of musicians gathered specifically for the concert. The symphony is approximately 30 minutes long and divided into four movements. The first movement is fast and energized, setting the stage for the rest of the symphony. What many people don't know is that Beethoven was struggling with both depression and a debilitating illness while composing this masterpiece. He was unable to hide his condition any longer, yet he was determined to create something truly remarkable. And so he did, creating a symphony that is iconic and instantly recognizable, even to those who are not familiar with classical music. The 5th symphony is considered one of Beethoven's greatest works and has earned its place as one of the most performed symphonies in the world. In fact, it is the most famous symphony by Beethoven, followed closely by his 9th symphony, which is a choral symphony and one of the most well-known pieces of music in the Western repertoire. It is often considered both a culmination and a precursor of Romantic music and is considered one of Beethoven's greatest works of art. I have had the privilege of seeing the 5th symphony performed live in São Paulo's Theatro Municipal, and it was an experience I will never forget. The energy and emotion of the performance were electric, and
