<p>Gameplay</p>

<p>Call of Duty 2 game is a first-person shooter, meaning you will 🏵 spend most of your time running from point to point in order to complete your objectives, killing enemy soldiers in 🏵 the process. It's important to note that you are not the chosen one, and you will easily die if you 🏵 are not aware – if you want to succeed, you have to cooperate with other soldiers, who can draw enemy 🏵 fire or lay down covers for you.</p><p>The game features a variety of historically-accurate weapons from the WWII era. Defeated enemies 🏵 drop their weapons – you can pick them up and use, but you can only wield two firearms at any 🏵 given time. Combined with limited ammo, you are encouraged to make use of everything you can find. Defeating groups of 🏵 enemies can be done with frag grenades, while smoke grenades provide tactical cover.</p>
