

O O bet365

winners from the National League and the American League play the "World Series." The series consists of seven games. If a team wins four out in a row, the series ends. The winner of the series is crowned World Series champion. The World Series is the most prestigious event in professional baseball.

As of 2013, the World Series has been played 111 times. The Yankees and Red Sox have the most appearances, with 26 each. The Yankees have won 27 times, and the Red Sox have won 9 times. Other teams that have won the World Series include the St. Louis Cardinals (11), Cincinnati Reds (4), Pittsburgh Pirates (4), Boston Braves (3), Brooklyn Dodgers (2), Los Angeles Dodgers (2), New York Mets (2), San Francisco Giants (2), and Chicago Cubs (1).

The World Series is a best-of-seven playoff. The first team to win four games wins the series. The games are played over a period of two weeks, with the first game on October 3 and the final game on October 27. The World Series is the only professional sports league in the United States that has a postseason tournament.

The World Series is the most watched event in professional sports in the United States. In 2013, the World Series was watched by an average of 100 million viewers per game. The World Series is also the most profitable event in professional sports in the United States. In 2013, the World Series generated over \$1 billion in revenue.

The World Series is a highly competitive event. The Yankees and Red Sox are the most competitive teams in the World Series. The Yankees and Red Sox have played each other in the World Series 12 times. The Yankees have won 6 times, and the Red Sox have won 6 times. The Yankees and Red Sox are the only two teams that have played each other in the World Series more than once.
