Net curtains are commonly teamed with a pair of thickly lined curtains that will successfully block out any excess light come night time, whilst the net curtain will act as a complementary addition to the window dressing set. This helps maintain a feeling of privacy in the home during daylight hours whilst still maintaining a light and airy feel to the room. Net curtains are traditionally available in a variety of styles, colours and materials. They are also available in a range of fabrics, including cotton, polyester and linen. They are also available in a range of colours, including white, cream, beige, grey, blue, green, red, yellow, orange, purple, pink, black, and brown. They are also available in a range of patterns, including stripes, checks, floral, and geometric. They are also available in a range of textures, including smooth, ribbed, and pleated. They are also available in a range of lengths, including short, medium, and long. They are also available in a range of widths, including narrow, medium, and wide.
