You can contact our support team To have its account; Aviator is a game of casino excitement that is conquering the online casinos in Brazil. In Brazil, the game is becoming more and more popular and many players are discovering its good results. In this article, we will talk about how to play Aviator, giving tips on how to win and demonstrate strategies to increase your chances.

1. Understand the game and its multipliers; Aviator is a simple game. You place a bet before the virtual plane takes off. The measure is that the plane stays in the air for more time, the multiplier increases, offering potential gains that are higher. To claim your winnings, you must cash out before the plane disappears from the screen.

Para ter sucesso no Aviator, um dos conselhos mais importantes é concentrar suas apostas em multiplicadores mais baixos. Existe uma chance muito maior de passar por um multiplicador de 1,5x do que de passar por um multiplicador de 15x.

2. Pratique com a versão demo; Modes such as Team Deathmatch, Domination and Kill
