It is important to keep an accurate diary or similar

record of your gambling winnings and losses. To deduct your losses, you must be able to provide receipts, tickets, statements or other records that show the amount of both your winnings and losses.

</div></div></div></div></div></div>

Gambling losses are indeed tax deductible, but only to the extent of your winning

and requires you to report all the money you win as taxable income

on your return. The deduction is only available if you itemize your deductions
