<p&gt;Best cod of the modern era, not that that saying much. The campaign was
fun enough, /, with interesting ideas such as dialogue options and branching m
issions, but overall it's hard to get invested in due to /, the state of the
e overarching COD storyline. I'm honestly can't tell if this is solely i
n the new MW timeline, /, a sequel to the old black ops storyline, or some weir
d fusion of the two that drags the old games /, into everything.</p&gt;
<p&gt;Not much to say on the MP. I haven&#39;t played it since it&#39;s year
in the cycle, and games /, are hard to find, at least on pc/steam. From what I
remember I enjoyed it, especially the 3v3 mode. the /, overall game feel is bad
compared to the MW games, but I think that $\#39$; s not an issue going forward. Fu
n /, for the most part, but SBMM makes matchmaking annoying to participate in,
often having the game openly tell you it $\#39;s /, searching for games with 100
plus ping at times.</p&gt;
<p&gt;Zombies though, Zombies is genuine great. BO 3 is certainly the peak /,
 of the original zombies formula, but I dare say I almost like this more, gamep
lay wise. It is sadly missing /, a lot of the personality of the W@W-BO3, with
MP operators as characters instead of a set crew being the /, largest problem.
The HUD does also kinda suck, fine in function but lacking any character in the
```

design. Especially compared /, to BO3, although I'd say it's still mile

s above BO4 with how cluttered that was.</p>
