<p>Start by picking if you want to be Mario or Luigi, and know that you move using the arrow keys, 📈 and press the spacebar to select items. This is going to be basically like Mario Forever, only online, and you 📈 get to re-visit all of the amazing worlds you've grown to love, giving it your best to reach the end 📈 of each level without dying.</p>
<p>Along the way, hit bricks and blocks to collect the coins inside them, but sometimes you 📈 get mushrooms, which can help you grow in size, which is the red mushroom, while the green mushroom will give 📈 you the ability to shoot fire. Avoid or shoot enemies, such as the turtles or the Kappa, because if they 📈 touch you, you lose or decrease in size.</p>
<p>The number of lives you have is limited, so don't lose them all. 📈 Be careful of the man-eating plants coming out of the green tubes, but use some of them to teleport. Also, 📈 make use of platforms, static or moving ones, and make sure to never fall in the pits, since that also 📈 means you lose. Get to the end of each level, until you finish all the stages and save Princess Peach!</p>

<p>How 📈 to play? Use the ARROW KEYS.</p>
