<p></p><p>Sequels are as much a part of horror as any other ge nre, so when Jim Vejvoda of IGN sat down 🧾 with Jennifer Kent, the ques tion of a "Babadook" sequel inevitably came up. Specifically, Vejvoda asked Kent if she was afraid 🧾 that the stand-alone gem would become di minished by a "sequel factory," and if she'd have control over an outside source 🧾 making another movie. Fortunately, Kent confirmed that she and the producers own the rights to any sequels, so they'd have 🧾 the ultimate say. On that note, she took the opportunity to shut down any sp eculation we shouldn't expect "The 🧾 Babadook 2." As sh e explained, "The reason for that is I will never allow any sequel to be ma de because 🧾 it's not that kind of film."</p>
<p>It seems like Kent always knew "The Babadook" wouldn't ha ve a sequel, and for good 🧾 reason. She went on to say, "It's just not what the film's about. It would destroy the integrity of everything 🧾 we worked so hard to protect." That makes sense, as the film's focus is specifically on the trauma of Emilia 🧾 and Samuel, a story that's now been told. A sequel would dull the underlining meaning of the mo vie.</p>
