

fun mania slot

Fun Mania Slot is an indie rhythm-based action platformer developed by one person. Typically, the game is free to play. It is available on Windows 7, Windows 8.1, Windows 10 and Linux. The game is rated 9+ by Apple and PEGI 7 (suitable for children 7 and up).

The game is an endless running game, where the player plays until the character collides into a large obstacle, falls into the water, or is overtaken by the demon monkeys.

Fun Mania Slot is available on Windows 7, Windows 8.1, Windows 10 and Linux. The game is rated 9+ by Apple and PEGI 7 (suitable for children 7 and up).
