O que é a abreviação "CBET"?
A abreviação "CBET" significa "Certified Biomedical Equipment Technician" e é uma certificação importante para profissionais de tecnologia de equipamentos biomédicos. Essa certificação reconhece profissionais de alta competência, credibilidade e conhecimento específico sobre equipamentos biomédicos, aumentando seu salário, promoções, respeito e reconhecimento no mercado de trabalho.

Um pouco da história do CBET
Desde a década de 1970, os EUA contam com profissionais certificados em tecnologia de equipamentos biomédicos. Originalmente chamados de "Biomedical Electronics Technician" (BMET), o título "Certified Biomedical Equipment Technician" (CBET) foi introduzido pela Association for the Advancement of Medical Instrumentation (AAMI) em 1991 para estabelecer padrões de qualidade e consistência na profissão.

Songs not to play at a funeral: Devil and drug references

Even if the deceased was a staunch atheist, it's best to give any song that mentions Hell (or indeed Satan) a miss. AC/DC are persistent offenders with 'Hell's Bells', 'Hell Ain't a Bad Place to Be' and 'Highway to Hell'.
