My dad is getting older and I bought him an a tablet years ago hoping that he would it to download apps to challenge his mind but he doesn't want to use it for hardly anything but playing this outdated and simplistic game.  
What makes it worse is that he must be horrible at playing it because he usually loses all or most of his chips.  
He usually can't remember how many chips he has from day to day so I'll try to win him some without him knowing. Sometimes I'm not able to so then I have to buy chips to help him out.  
I can't buy chips on his account because he's on a fixed income and he would go crazy if there was a charge for purchasing chips. I'm guessing and at least for me, I've notice purchasing chips will cause a lot more losses since they know the people who purchase chips will purchase more when they have lost all of there chips versus the people who play and never purchase chips.  
Well I wasn't doing any harm to anyone but purchasing chips for my elderly dad but now they've decided to crack down on a major threat to society so now I can't donate money to them.
