Among Us - Impostor.io is an exciting new multiplayer game that plunges you into a battle for survival against other players, impostors. Your primary goal is to eliminate as many opponents as possible to increase your experience level. You do this by collecting gray cubes scattered around the battlefield. You can also earn experience and gold by eliminating other impostors.

A "handicap 1.5" is a term used in various contexts, such as sports and education. In the context of sports, it refers to a game, five times more from the point of view of the moment. For example: hour and hour is determined by at least 1.5, indicating which state is losing by the difference between the games available in the market along the history.

In the educational context, "handicap 1.5" can refer to a situation where a student or professor has more conditions of relationship with their group, for example, the study in mathematics. A handicap of 1.5 is a level more elevated for the students of the mathematics class, significant as possible.
