The idea for Trello was conceived by Joel Spolsky,

Michael Pryor, and Daniel Tenner. They wanted to create a visual and

intuitive tool for managing tasks and projects, inspired by the Kanban system u

sed in manufacturing. Trello was officially released to the public

in September 2011.

While there are many popular project management tools on the market, Trello offers a simpler approach to task

management with hybrid team coordination. It makes it easier for teams to manage tasks, collaborate on projects and stay organized.
